

Vendor Table-Tops/In-Store Product Showcases

The NIH SC frequently hosts vendor table-top displays in the Bldg. 10 Self Service Store (SSS). This is one of the ways our vendors reach out to you, our customers, to market their products and offer incentives on the products you already buy and are stocked in our stores.

William Byrd from the NIH SC Business Operations and Marketing Team maintains a calendar with scheduled table top displays by vendors. Please send e-mails to the NIHSC Marketing Team at nihsmarketingteam@od.nih.gov for more information.
