

## Get to Know your Supply Center

The NIH Supply Center offers a Bulk Hold program! If you would like to order in advance but do not have room in your office or laboratory, we will hold it for you until you are ready to receive. We provide this service for free when you order through us!

## Disposing of PPE

When you begin working back on campus, or if you are already there, things may look a bit different. In partnership with NIH Sustainability, PPE specific containers have been placed on campus for easy disposal. Help do your part and dispose of items safely!

## NIH Supply Center Cares

At the NIH Supply Center, we care! Our community comes first. We are so grateful to be a part of the NIH Community, and do everything we can to support our members in need. We are always here to help!

### Customer Spotlight:

- The Department of Occupational Health and Safety recently required 10,000 safety syringes in support of the NIH Vaccination program. It was a new item that our Supply Center was able to source immediately, recognizing the critical mission DOHS serves.
- The Clinical Center had a time-sensitive need for 500 gloves which they did not have to perform their mission critical work. One call into the Supply Center, and they were able to continue their patient care mission, uninterrupted.

We are here to serve you and to support the incredible mission you do! If you don't see what you need on our website, please call and talk to our inventory management team at 301-496-9156. We are standing by with answers to help you find the best solution to meet your needs!

## NIH SUPPLY CENTER SURVEY!

We are always trying to improve our processes and communication and your feedback is important to do so! Please take our brief [survey](#) to help us understand how to improve your customer experience.

## Price Comparison\*

NSN	Item Name	Unit of Measure	NIH SC List Price w/ Cost Recovery	IntraMall Price w/ Fee	Savings of NIH vs IntraMall	Direct Vendor Price	Savings of NIH vs Direct Vendor
