## **Risks of Ordering VoIP Phones Outside the Supply Center:**

- May Not Be 508 Compliant
- May Not Be As Safe (Not Coming Directly From Manufacturer)
- Difficult To Tell If It Has Been Refurbished (Takes Longer to Install)

*We will work with your IC to procure the current models being used by NIH today keeping with model updates moving forward. Once the phones have been ordered and received, we will ensure a timely delivery of phones to your specified location.*

**For more details about VoIP conversions & installations, contact your Institutes' IT Team**

**\*Please Allow 6-8 Weeks for Delivery Directly to Your Location\***
